It is your responsibility to comply with the relevant restrictions as expressed in the applicable copyright legislation and any licence provided by the Depositor or copyright owner (e.g. a Creative Commons licence).

The Datasets displayed on ShareGeo Open are provided without any guarantees, conditions or warranties as to their accuracy. To the extent permitted by law, the Host expressly excludes:

- all conditions, warranties and other terms which might otherwise be implied by statute, common law or the law of equity.

- for any other loss or breach of contract or otherwise, even if foreseeable, provided that this condition shall not prevent claims for loss of or damage to your tangible property or any other claims for direct financial loss that are not excluded by any of the categories set out above.

This does not affect the Host's liability for death or personal injury arising from the Host's negligence, nor its liability for fraudulent misrepresentation or misrepresentation as to a fundamental matter, nor any other liability which cannot be excluded or limited under applicable law.
